

**Feedback from Paul Gonyea's talk: Create a Better Problem
2-11-07**

"Paul gave a new slant- a new way to look at 'challenges'- give them a physical shape that can be held in my hand-not bigger than I am"

"This is an awesome talk with a great message. 'What is the perfect answer to . . .?'" -Teri

A unique message that challenges our thoughts & efforts to grow our consciousness & ability to raise above average thinking." -Sara

"Let's live in the solution-not the problem!" -Shelly

"Be grateful for you challenges-they are spirit speaking to you and can take you to a higher greatness!"- Michele

"Don't be solving the same problems you were solving last year"

"When I get (not what I wanted), 'make this <the> best that could have happenend.' " -Carla

"The way we see the problem is the problem"
